

Book Writing and Publishing 101: A Publisher's Guided Tour

Like a full day publishing seminar, Satiama Writers Resource offers in-person or virtual consulting with authors who need a guided tour of the writing and publishing process.

Our virtual seminar features topics of your choice, including:

- Book concept marketability
- Book naming and pricing
- Design
- Book illustration and design
- Book pricing
- Preparing printing files
- Selecting a printer
- eBooks
- Do I need a literary agent or publisher?
- How should I market my book?
- How can I get my book distributed?

We will also address any specialized questions you might have about the process.

Satiama Writers Resource offers a customized set of services for those who want support in the manuscript, editing, production, marketing or distribution phases of their writing journey.

From book evaluation to book tours, Satiama Writers Resource offers services that are truly meaningful, with actionable results.
